Located in the **Park Avenue @ Third** building at 51 East Third Street, Dunkirk, NY, this clinic features an extensive gym, private exam rooms and a highly skilled team to successfully focus on attainable goals for our patients. We are collaborating with healthcare providers in the area to establish good communication to benefit our mutual patients in Northern Chautauqua County. Most insurance is accepted. Ask about our “No Prescription – No Problem Program.” Ample off-street parking.
COVID-19: All CDC guidelines in place for your safety and ours.

Established in 1996, our Jamestown and Mayville clinics have served thousands.

We are proud that most of our new patients are referred by former patients.
